**Subject:** Notice of safety training for February-March 2022

Dear all,

The Safety and Radiation Protection Unit hereby announces safety trainings in English during December 2021 and January 2022.

The trainings will be conducted according to the Covid19 Technion regulations. **Therefore, please notice that registration in advance to each training is mandatory.**

Upon registration, additional details about the upcoming training will be provided.

**Time and location:**

**Fire Extinguishing** (theory and practice)- on 23rd of March, at 10:00-12:00.
The training is mandatory once a year for lab researchers, employees and graduate students.
Please notice that people working in biological and chemical labs are required to attend fire extinguishing training every six months.

Please register in advance to each training separately using [this link](#).

More options for English trainings can be found in the Faculties Safety Seminars planned for 28/02/2022 and 31/03/2022 and published in the “Faculty Trainings” document.

Best regards,
Safety Unit
