Greetings,

In December 2023-January 2024, the safety unit will hold English safety seminar days for the following faculties:

<table>
<thead>
<tr>
<th>Faculty</th>
<th>Language</th>
<th>Date</th>
<th>Trainings</th>
</tr>
</thead>
</table>
| Biotechnology & Food Engineering and Biomedical Engineering (Churchill Auditorium) | English+Hebrew, English, Hebrew | 28/12/2023 (Courseware period*: 24/12/2023-04/01/2024) | 08:30- General Lab Safety training**  
10:30 – Ergonomics training  
11:45- Theoretical fire extinguishing  
13:00- Practical fire extinguishing and gas cylinders trainings (will be performed near the faculties) |
| Chemistry and Chemical Engineering (Chemistry Auditorium)              | English+Hebrew, English, Hebrew | 23/01/2024 (Courseware period*: 21/01/2024-01/02/2024) | 9:00- General Lab Safety training**  
11:00- Ergonomics training  
12:15- Theoretical fire extinguishing  
13:15- Practical fire extinguishing and gas cylinders trainings (will be performed near the faculties) |
| Faculty of Biology (Churchill Auditorium)                             | English                 | 28/01/2024 (Courseware period*: 21/01/2024-01/02/2024) | 08:30- General Lab Safety training**  
10:30 – Ergonomics training  
11:45- Theoretical fire extinguishing  
13:00- Practical fire extinguishing and gas cylinders trainings (will be performed near the faculties) |

* In addition to the trainings provided at the seminars, some specific courswares, such as Cryogenics + Gas Cylinders, should be completed on MOODLE (Hebrew, English) as annual refreshers.

**The General Lab Safety training will be tailored to the faculty's specific line of work.

Links and useful information:
- To register to each training, please use this registration system.
  - Identification by Technion user ID is required.
  - Separate registration is required for each training session in the seminar.
  - Registrants will receive a reminder and additional information a few days prior to the trainings.
  - Registered participants will receive confirmation of participation by email at the end of each training.
- Technion Safety Unit Web site.
- English and Hebrew Coursewares.

Best regards,
Safety Unit
